About Katrina Brown

Katrina Brown is a board-certified Adult-Gerontology Acute Care Nurse Practitioner with more than 17 years of nursing experience, including over 9 years in high-acuity critical care. Her background includes trauma, neurological, transplant, medical, and surgical intensive care, giving her broad experience caring for adults with complex medical needs.

At Joint Pain Solution Center, Katrina brings this extensive clinical background to a patient-centered setting. She values careful assessment, clear communication, patient education, and collaborative care designed around each patient's individual needs and goals.

Clinical Background

- Adult and geriatric acute care
- Critical care and intensive care nursing
- Trauma and neurological care
- Transplant and postoperative care
- Complex medical and surgical patients

Clinical Strengths

- Advanced patient assessment
- Diagnostic reasoning and care planning
- Interpretation of laboratory and imaging data
- Patient and family education
- Interdisciplinary collaboration
- Quality and safety-focused care

A Patient-Centered Approach

Katrina's clinical approach is grounded in careful evaluation, evidence-based decision-making, and clear patient communication. **Her goal is to help patients feel informed, supported, and confident as they participate in decisions about their care.**
